

Dear Prof. Cristiana Rossignolo
DIST, Politecnico di Torino,

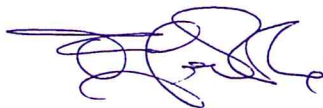

Porto, January 25, 2016

On behalf of the Association of European Schools of Planning (AESOP) we are pleased to present to you the **AESOP CERTIFICATE OF QUALITY** granted to the **Master programme in Territorial, Urban, Landscape and Environmental Planning** offered by the **Politecnico di Torino**.

This programme fulfils the European quality standards of planning programmes according to the AESOP Charter, complemented by an effective internationalization of teaching and learning processes.

The Excellence in Education Board and the whole of the AESOP community wishes to extend our sincerest congratulations to you and your University for receiving this certification of Excellence in Education.

Sincerely,

Francesco Lo Piccolo
AESOP President

Paulo Pinho
AESOP Secretary General
