  9. Science
  10. Theology
- School for Data Science and Computational Thinking  
School for Climate Studies

# Where our students come from

# Non-degree programmes offered at SU

- Spend a semester with Us**  
Students from partner universities can apply to study for a semester or two on exchange.
- Summer programmes**  
Annually, we host two summer schools focussing on social and development issues respectively. These are open to bachelor's and master's students.
- For more information visit [www.sun.ac.za/summerschools](http://www.sun.ac.za/summerschools)
- Freemovers**  
Students enrolled at education institutions anywhere in the world are eligible to apply for a semester or two to study abroad as a Freemover student at Stellenbosch University.

- Academic Courses**  
Non-degree seeking students may follow courses for credit from various departments provided that they are available in English or from a tailored offering Global Education Programmes (GEP).
- Community Interaction**  
Community Interaction is an important strategic focus for Stellenbosch University. Visiting international students can join the International Students Organisation Stellenbosch (ISOS) and volunteer for various community interaction activities.

**Application procedure, deadlines and more information can be found here:**
